Frequently Asked Questions (FAQ'S) About Woven Wristbands

What are Woven Wristbands?

The woven wristband is a high quality single layer polyester band which can have a multicoloured design woven into it. This is a completely customisable security band, can be PMS colour matched and logo design matched.

Can Woven Wristbands be numbered?

Yes, Woven Wristbands can be sequentially numbered.

Who is using Woven Wristbands?

Major events worldwide have embraced the Woven Wristband as their preferred wristband choice because of their highly customisable qualities ensuring the highest levels of branding, greatest difficulty in replication and overall excellent levels of security.
