The image is a promotional graphic for a smartphone. On the left, a woman with long brown hair is smiling and taking a selfie with a black smartphone. The phone's screen shows a photo of her and another person. To the right of the woman, a vertical side view of the same smartphone is shown against a light beige background. The side view highlights the camera lenses and the power button. The text '6.04 inch' is printed vertically along the side of the phone. In the bottom left corner, the text 'Change pictures Only in seconds' is written in a bold, white font, with 'New technology, new experience' in a smaller font below it. In the bottom right corner, the text 'Store:shenzhen ch...' is visible.

New technology, new experience

Store:shenzhen ch...

The image features two smartphones, likely iPhones, positioned diagonally. The top phone is tilted to show its screen, which displays a 'My Creation' app interface with a woman's portrait, a sidebar menu with 'gallery', 'Material Library', and 'Font' options, and a 'Screen projection' button at the bottom. The bottom phone is tilted to show its back, highlighting the triple-camera system. Text annotations with blue arrows point to the screen and camera bezels, indicating their thicknesses.
