## Popular applications of Fabric RFID Wristbands

The images demonstrate the practical use of fabric RFID wristbands in a festival setting, including scanning for access and social media integration.

Our Famous Partners

The image displays a grid of logos for various partners. The logos are arranged in five rows. The first row contains Sony, Samsung, Nokia (with the tagline 'Connecting People'), and BT. The second row contains NXP, Disney, Alien, and Qatar Airways. The third row contains Midea, Oppo, ZTE, and Chanel. The fourth row contains Coolpad, McDonald's, China Mobile (with the Chinese characters '中国移动通信' and 'CHINA MOBILE'), and Vanguard. The fifth row contains the logo for the 2010 Shanghai Expo.
