6.04 inch

The image features two smartphones, one in the foreground and one slightly behind it, both displaying a woman's face on their screens. The phones are encased in dark, protective covers. The top phone's screen shows a 'My Creation' interface with various editing tools like 'gallery', 'Material Library', and 'Font'. The bottom phone's camera module is visible. Text annotations with arrows point to the bezel thicknesses: '1.3mm Screen bezel' for the top phone and '0.5mm Camera bezel' for the bottom phone. A dark banner at the bottom contains the text 'Extra Protection to the Edges' and 'Avoid scratches, impacts and possible repairs'.
