Premium PU Leather.

Different from the plain leather on the market, our box is made of imported high-quality PU leather, non-slip, durable, elegant and comfortable.

High-quality Double Shielding Cloth

We use high-quality shielding cloth, which is more expensive than normal, so it can block 100% of the signal, especially when you are very close, most of the shielding box may not work, but we can.

Flannel lining

The same color flannel lining can avoid staining the box during use, which is our unique advantage.
