

Product Description:

A bus card is an RFID card. There are special bus passes and bus cards shared with credit card. It can be used as a credit card or a bus card. It's more convenient to use a bus pass without having to prepare change. Swiping a card in the car is generally cheaper than a change.

[Shenzhen Chuangxinjia](#) specializes in producing all kinds of rfid cards since 2005. We are China The Most Influential RFID Enterprise 2014-2016. Customers are all over five continents. Good quality is worthy of your trust, good service is your best choice.

Product Show:

Product Specification:
