

NFC Metal Necklace:

Our NFC Metal Necklace seamlessly blends cutting-edge technology with elegant, minimalist design. Crafted from hypoallergenic 316L stainless steel, this isn't just a piece of jewelry; it's a powerful, programmable NFC metal tag disguised as a sleek accessory. Each metal NFC necklace is built to last, offering a durable and waterproof solution for your most innovative ideas.

Why Choose Our NFC Metal Necklace for Your Business?

We specialize in custom NFC metal necklaces for brands and businesses looking

to make a lasting impression. Our wholesale NFC necklace program is perfect for:

Marketing & Events: Transform any NFC metal necklace into a dynamic touchpoint. Guests can tap to connect to WiFi, access digital business cards, or unlock exclusive promotional content.

Access Control: Utilize the NFC metal tag inside for secure, keyless entry into offices, hotels, or exclusive events.

Branded Merchandise: Customize the pendant with your logo and pre-load the chip with your website or social media, creating a unique and interactive branded NFC necklace.

Our Customization & Bulk Order Advantages

OEM Services: We offer full customization of the pendant shape, size, and laser engraving for your NFC metal necklace.

NFC Programming: Pre-load each metal NFC tag with URLs, contact details (vCard), or text during production.

Bulk Pricing: Competitive wholesale pricing for bulk orders with flexible MOQs to suit your project scale.

Durable Construction: The robust metal casing ensures the NFC chip is protected from daily wear and tear, making it a long-lasting solution.

Elevate your brand experience and bridge the physical and digital worlds. Contact us today to discuss your custom NFC metal necklace project and request a wholesale quote.
