Supply Ability:	40000000 Piece/Pieces per Month

Sample:

Free samples are available upon request

1  Hold the key card in front of the sensor.

2  Wait for the green light and then turn the handle.

*Please return the key card to the front desk upon departure. If your key card is lost, damaged or stolen, notify the front desk immediately. A replacement fee will be charged for lost, damaged, or stolen cards.*

The instructional diagram is on a white background with rounded corners. It contains two numbered steps. Step 1 shows a hand holding a key card up to a sensor. Step 2 shows a hand turning the key card. Below the steps is a paragraph of italicized text providing return and loss instructions.
