**Premium PU Leather.**

Different from the plain leather on the market, our box is made of imported high-quality PU leather, non-slip, durable, elegant and comfortable.

100% Signal Blocking

High-quality Double Shielding Cloth

We use high-quality shielding cloth, which is more expensive than normal, so it can block 100% of the signal, especially when you are very close, most of the shielding box may not work, but we can.

**Flannel lining**

The same color flannel lining can avoid staining the box during use, which is our unique advantage.

High Density Faraday Fabric

Anti-friction Leather

Strong Metal Buckle
