

RFID Silicone Wristband Application:

[RFID silicone wristband](#) is suited for the beach, pools, waterparks, spas, gyms, sports clubs and any other RFID access control applications where a waterproof nfc bracelet is required. Silicone RFID NFC bracelets are IP68 waterproof, durable, eco friendly, heat resistance, and anti-allergy.

All our silicone nfc wristbands are available with 125 KHz LF, 13.56 MHz HF and UHF chips. Widely used in door access control, member management, payment tracking, pet/lost tracking etc.

Custom wristband color, custom LOGO printing all available for our RFID nfc silicone wristband bracelet. Craft options like unique QR code, serial number, barcode, embossed, debossed, laser printing etc all accepted for nfc silicone wristband bracelet.
