Product Procedure

Shenzhen Chuangxinjia offers RFID wristbands in a variety of materials, such as silicone, woven (cloth), and plastic, paper etc. We can customize them to include your logo and we have a various range of color offerings. We have RFID wristbands for point of sale, keyless hotel rooms, access control & security, counterfeit prevention, customer loyalty programs, and waterproof environments.

Woven Wristbands are made from fabric and can be produced in full colour. They come with a closure that can only be used once so they are great for access control and mainly used at festivals and large events. A great long lasting wristband that is tough and durable.
